Thesis Title

The Relationship between Australians and the Overseas Graves of the First World War

Supervisors

Dr Max Quanchi (principal)

Associate Professor Gary Ianziti (associate)

Citation

This thesis outlines the relationship that existed in the past and exists in the present, between Australians and the War Graves and "Memorials to the Missing" commemorations of Australians who died during the First World War, and follows the path of history from the event of death of an individual, through the burial process, and towards a permanent commemoration. It considering the family and public reaction to the deaths; how the Official Agencies of related Commonwealth Governments dealt with the dead; and finally, how the Australian dead are represented on the battlefields of the world in the 21st century.
